

## Fully Automatic Commercial Coffee Machine

# ELEVATE YOUR BREWING EXPERIENCE

## CoffeeCenter

The Coffee Center Espresso Coffee Machine is equipped with one bean hopper plus 3 soluble canisters for milk powder, chocolate and decaf.

With a 300-drink-per-day capacity, the Coffee Center is ideally suited for HoReCa, workplaces, and offices.

The Coffee Center is equipped with a top-quality 10.1 inch colour smart touch screen, 3 litre boiler to guarantee continuous product output and a top quality metal brewer that boasts a 21g capacity.

To help enhance the flavour of every coffee drink, this machine is supplied with specially crafted ceramic grinders.

Ideal for self service, the Coffee Center is supplied with lockable hoppers and compatible with all payment systems via MDB communications.
