THE MELANGE

Bean-to-cup brilliance: **The Melange** is a compact powerhouse for the perfect coffee.

Customise your favourite beverage and create variations for your colleagues, family or friends. So they can have it just how they want it - every time! Choose from a black or white coloured machine, to compliment your kitchen or whichever space you prefer to enjoy your perfect coffee at the touch of a button.

The Melange is able to heat up rapidly thanks to the advanced thermoblock technology, making this ideal for producing elegant quality on demand. Whether it's an impromptu meeting in the office or grabbing your favourite coffee before leaving home, the Melange exceeds your expectations.

ACCURATE GRINDING

Using the adjustable setting option 'MyCoffee', you can choose the ideal drink profile according to your taste.

2.4" colour display with touch icons to easily find your coffee of choice or create your own bespoke beverages.

HIGH QUALITY BREWING

High quality brewing process for the perfect espresso, cup after cup.

Small footprint, big taste: high quality coffee for smaller spaces.

FRESH MILK SYSTEM

The Steam Tech milk system mixes the perfect quantities of steam, milk and air, creating a texturised milk foam.
