

## F2 Series

The compact F2 series models are manufactured from high quality, die-cast aluminium and finished in black, silver or polished chrome.

The F2 grinder is an On Demand type, grinding coffee freshly when required, designed to perfectly complement our Piccino domestic espresso machines for home use, or for low volume specialty coffees. The adjustable timer allows easy programming of the pre-set grind time and single or double espresso grind selection. F2 On Demand available in Black, Silver and Chrome.

## Come Home to Real Coffee

Fracino is the UK's only manufacturer of traditional espresso and cappuccino coffee machines. Our coffee machines are used to serve great coffees in coffee shops, restaurants, hotels and snack bars around the world.

The PICCINO espresso coffee machine brings the experience and taste of real coffee into your home with a stylish and easy to use espresso coffee machine.

The PICCINO is compact and sturdy – a brilliantly manufactured coffee machine, incorporating all the engineering skills and expertise behind the Fracino brand. Installation is quick and easy, and its construction using stainless steel will enable you to use it for many years to come.

It will make two coffees at the same time and has the ability to froth milk and make coffee simultaneously. The PICCINO is one of the fastest coffee machines for the home market.
